

## Independent Citizens’ Oversight Committee (ICOC) Members

CIRM is governed by the Independent Citizens’ Oversight Committee (ICOC), which is composed of up to 35 Californians with expertise in: (1) managing large research grants and complex institutions and conducting cutting edge medical research; (2) understanding the critical path for the development of successful experimental medical treatments and directing the approval process through the Food and Drug Administration and other regulatory bodies and ethical committees; and (3) advocating on behalf of Californians who suffer from a variety of chronic diseases and injuries.
