ITEM DESCRIPTION	PAGE NO.
OPEN SESSION	
1. CALL TO ORDER	3
2. ROLL CALL	3
3. CONSIDERATION OF COMMUNITY CARE CENTERS OF EXCELLENCE (CCCE) CONCEPT PLAN	3
4. PUBLIC COMMENT	16
5. ADJOURNMENT	25

MARCH 10, 2025; 3 P.M.

VICE CHAIR BONNEVILLE: GOOD AFTERNOON, EVERYONE. THANK YOU FOR JOINING TODAY'S ACCESSIBILITY AND AFFORDABILITY WORKING GROUP MEETING. SCOTT, WILL YOU PLEASE TAKE THE ROLE.

MR. TOCHER: KIM BARRETT.

DR. BARRETT: PRESENT.

MR. TOCHER: BERNAL. MARIA BONNEVILLE.

VICE CHAIR BONNEVILLE: PRESENT.

MR. TOCHER: JAMES DEBENEDETTI.

MR. DEBENEDETTI: HERE.

MR. TOCHER: TED GOLDSTEIN.

DR. GOLDSTEIN: PRESENT.

MR. TOCHER: CHRISTINA HARTMAN. DAVID
HIGGINS. VITO IMBASCIANI.

CHAIRMAN IMBASCIANI: PRESENT.

MR. TOCHER: DARIUS LAKDAWALLA. HARLAN
LEVINE.

DR. LEVINE: PRESENT.

MR. TOCHER: PAT LEVITT. ADRIANA PADILLA.

DR. PADILLA: HERE.

MR. TOCHER: AMMAR QADAN.

MR. QADAN: PRESENT.

MR. TOCHER: MAHESWARI SENTHIL. ADRIENNE
SHAPIRO.

WE'RE JUST TWO SHORT RIGHT NOW, MARIA, BUT
WE'LL KEEP YOU POSTED.

MR. FISCHER-COLBRIE: MARK FISCHER-COLBRIE
IS HERE JUST ON ADVISORY.

MR. TOCHER: THANK YOU, MARK.

VICE CHAIR BONNEVILLE: THANKS, MARK.

WE HAVE A GREAT AGENDA ITEM TODAY, SO I'M
GOING TO HAVE GEOFF GET STARTED SO WE CAN GET
THROUGH IT ALL. THANK YOU.

DR. LOMAX: OKAY. YOU CAN SEE THE SCREEN

BETH C. DRAIN, CA CSR NO. 7152

1 OKAY AND HEAR ME OKAY; IS THAT CORRECT? GREAT.

2 THANKS VERY MUCH. THANK YOU, CO-CHAIR BONNEVILLE,
3 FOR THE OPPORTUNITY TO PRESENT. I'M GOING TO
4 PRESENT TODAY A REVISED CONCEPT PLAN FOR THE
5 COMMUNITY CARE CENTERS OF EXCELLENCE PROGRAM.

6 I'D LIKE TO THANK THE EXECUTIVE TEAM AT
7 CIRM FOR THE OPPORTUNITY TO SUPPORT THE DEVELOPMENT
8 OF THIS PLAN AND REALLY ACKNOWLEDGE THAT THIS HAS
9 BEEN A CIRM-WIDE EFFORT IN TERMS OF DEVELOPING THIS
10 CONCEPT PLAN AND A HOST OF OTHER PLANS ACROSS THE
11 ORGANIZATION. SO ALL THE INPUT AND SUPPORT FROM THE
12 CIRM TEAM IS GREATLY APPRECIATED.

13 AS A REMINDER, THE CONCEPT PACKAGE IS
14 AVAILABLE ON THE CIRM WEBSITE AS ARE A COPY OF THESE
15 SLIDES AND THE LINK. THEY CAN ALL BE FOUND IN THE
16 LINK TO TODAY'S MEETING.

17 I'M GOING TO NOTE THAT THERE ARE MEMBERS
18 IN CONFLICT TODAY, AND SO THESE MEMBERS ARE
19 IDENTIFIED HERE. AND IF YOU PLEASE REFRAIN FROM
20 DISCUSSION OF ANY MOTIONS IN RELATION TO THIS
21 CONCEPT PLAN. THANK YOU.

22 AND SO AS YOU ARE AWARE, THIS IS THE
23 SECOND COMMUNITY CARE CENTERS OF EXCELLENCE CONCEPT
24 PLAN WE ARE BRINGING FORWARD FOR YOUR CONSIDERATION.
25 IN THE BACKGROUND SECTION, I WILL REVIEW THE OUTCOME

BETH C. DRAIN, CA CSR NO. 7152

1 FROM OUR INITIAL CYCLE AND PROVIDE A RATIONALE FOR
2 OUR RECOMMENDATION THAT WE PUT FORWARD A REVISED
3 PROGRAM.

4 AND IN THE SECOND PART OF THE
5 PRESENTATION, I WILL SUMMARIZE THE KEY PROGRAMMATIC
6 ELEMENTS OF THE REVISED PLAN, AND THEN WE WILL
7 REQUEST A MOTION.

8 SO AS A REMINDER, PROPOSITION 14 MANDATES
9 THE CREATION OF THE COMMUNITY CARE CENTERS OF
10 EXCELLENCE. THE PROPOSITION SPECIFICALLY INDICATES
11 THAT THESE CENTERS SHOULD EXPAND THE CAPACITY OF THE
12 ALPHA CLINICS NETWORK, AND THEY'RE SPECIFICALLY
13 CHARGED WITH CONDUCTING CLINICAL TRIALS AND MAKING
14 TREATMENTS AVAILABLE TO CALIFORNIA PATIENTS. THE
15 PROPOSITION ALSO CALLS OUT GEOGRAPHIC DIVERSITY AS A
16 PROGRAM OBJECTIVE TO FACILITATE ACCESS TO
17 POPULATIONS THAT ARE LESS LIKELY TO ENROLL IN AN
18 ALPHA CLINIC TRIAL.

19 IN ADDITION, ONE POINT NOT REFLECTED IN
20 THIS SLIDE IS ALSO THE TIMELINE FOR THE COMMUNITY
21 CARE CENTERS OF EXCELLENCE. THE PROPOSITION
22 SUGGESTS A LAUNCH WITHIN THE CALENDAR YEAR 2025,
23 WHICH IS THIS YEAR.

24 I WILL NOW TURN TO THE CIRM STRATEGIC
25 ALLOCATION FRAMEWORK RECOMMENDATIONS. THE STRATEGIC

BETH C. DRAIN, CA CSR NO. 7152

1 ALLOCATION FRAMEWORK WAS APPROVED BY THE ICOC IN
2 SEPTEMBER AFTER IT RECEIVED THE FIRST ROUND OF CCC
3 SO THAT THE FRAMEWORK WAS APPROVED IN THE MIDDLE OF
4 THE ORIGINAL PROGRAM.

5 CIRM'S STRATEGIC ALLOCATION FRAMEWORK
6 PROVIDES A ROADMAP FOR THE STRATEGIC IMPLEMENTATION
7 OF PROPOSITION 14'S MANDATES. AND GOAL 5
8 SPECIFICALLY FOCUSED ON PATIENT ACCESS BROADLY AND
9 INCLUDED A SPECIFIC CALL-OUT TO ENSURE REFERRAL,
10 ENROLLMENT, AND RETENTION OF CALIFORNIA PATIENTS IN
11 CLINICAL TRIALS. THIS PRIORITIZATION WITHIN THE
12 STRATEGIC ALLOCATION FRAMEWORK CAUSED US TO REFLECT
13 ON WHETHER THE COMMUNITY CARE CENTERS OF EXCELLENCE
14 PROGRAM IN ITS ORIGINAL FORMULATION WAS OPTIMALLY
15 ALIGNED WITH OUR NEW GOAL.

16 AND I WOULD NOTE WE ARE IN THE PROCESS OF
17 AMENDING MANY OF OUR CONCEPTS PURSUANT TO SAF
18 IMPLEMENTATION. SO I'LL COME BACK TO THIS POINT
19 MOMENTARILY WHEN I SUMMARIZE KEY INSIGHTS FROM THE
20 FIRST ROUND OF THE COMMUNITY CARE CENTERS PROGRAM.

21 IN TERMS OF OPERATIONS, THE COMMUNITY CARE
22 CENTERS OF EXCELLENCE ARE ONE PROGRAM WITHIN CIRM'S
23 BROADER CLINICAL INFRASTRUCTURE PROGRAMS. THE
24 FUNDAMENTAL AIM OF THIS INFRASTRUCTURE IS TO
25 INCREASE REFERRAL, ENROLLMENT, AND RETENTION OF

BETH C. DRAIN, CA CSR NO. 7152

1 PATIENTS SO CLINICAL TRIALS ARE COMPLETED
2 SUCCESSFULLY. OUR STRATEGY IS TO DRIVE
3 INTERCONNECTIVITY BETWEEN THESE COMPLEMENTARY
4 EFFORTS.

5 CURRENTLY THE ALPHA CLINICS NETWORK IS
6 SUPPORTING A ROBUST PORTFOLIO OF CLINICAL TRIALS,
7 AND OUR PATIENT SUPPORT PROGRAM HAS LAUNCHED TO
8 PROVIDE ADDITIONAL LOGISTICAL AND FINANCIAL SUPPORT
9 TO PATIENTS. OUR CURRENT GAP IS THE CAPACITY TO
10 BETTER SERVE PATIENTS IN UNDERSERVED AREAS WHERE
11 THEY DO NOT HAVE TIMELY ACCESS TO AN ALPHA CLINIC
12 SITE. AND WE PERFORMED A STATEWIDE NEEDS ASSESSMENT
13 IN THE RUN UP TO THE FIRST CYCLE OF THE CCCE
14 PROGRAM. AND DISTANCE TO TREATMENT CENTER AND
15 TRAVEL BURDEN WAS CITED AS A LEADING FACTOR IN THE
16 DECISION TO ENROLL IN A CLINICAL TRIAL. SO THIS
17 EMPHASIS ON GEOGRAPHIC DIVERSITY IS INTENDED TO
18 REDUCE THIS BURDEN.

19 SO I WILL NOW UPDATE YOU ON OUR EXPERIENCE
20 WITH THE INITIAL CYCLE OF THE COMMUNITY CARE CENTERS
21 PROGRAM. IN THE INITIAL CYCLE WE HAD A BIFURCATED
22 PROGRAM STRUCTURE THAT ALLOWED APPLICANTS TO COME IN
23 AS A SUPPORT SITE OR A SUPPORT AND CLINICAL TRIAL
24 DELIVERY SITE. SUPPORT SITES WERE DESIGNATED TO BE
25 PATIENT REFERRAL AND NAVIGATION CENTERS, BUT WERE

BETH C. DRAIN, CA CSR NO. 7152

1 NOT EXPECTED TO CONDUCT CLINICAL TRIALS OVER THE
2 AWARD PERIOD. DELIVERY SITES, ON THE OTHER HAND,
3 WERE EXPECTED TO CONDUCT REGENERATIVE MEDICINE
4 CLINICAL TRIALS OVER THE AWARD PERIOD AND BUILD THAT
5 CAPACITY ON AN ONGOING BASIS.

6 WE RECEIVED NINE APPLICATIONS WITH FOUR
7 FOR SUPPORT-ONLY SITES AND FIVE FOR DELIVERY SITES.
8 ONLY ONE OF THE NINE APPLICATIONS RECEIVED A FUNDING
9 RECOMMENDATION FROM THE GRANTS WORKING GROUP, AND
10 THIS WAS A SUPPORT-ONLY SITE. THIS REMAINING EIGHT
11 WERE NOT RECOMMENDED FOR FUNDING.

12 SO EARLY ON -- EARLIER I INDICATED THE
13 STRATEGIC ALLOCATION FRAMEWORK CAUSED US TO REFLECT
14 ON WHERE THE CCCE PROGRAM IN ITS ORIGINAL
15 FORMULATION WAS OPTIMALLY ALIGNED WITH OUR STRATEGIC
16 ALLOCATION FRAMEWORK GOAL 5.

17 IN TERMS OF BUDGET CONSIDERATIONS, WE'RE
18 CONCERNED THAT THE ORIGINAL STRUCTURE OF HAVING TWO
19 FUNDING TYPES WOULD COMPROMISE THE OVERALL PROGRAM
20 SUSTAINABILITY. AND LET ME EXPLAIN. PROPOSITION 14
21 SETS A LIFETIME CAP OF 78 MILLION ON THE COMMUNITY
22 CARE CENTERS OF EXCELLENCE PROGRAM. BY COMBINING
23 SUPPORT AND SUPPORT AND DELIVERY SITES INTO A SINGLE
24 RFA, WE WOULD POTENTIALLY DEPLOY 77 PERCENT OR 60.2
25 MILLION OF THIS TOTAL ALLOCATION. THUS, THE

BETH C. DRAIN, CA CSR NO. 7152

1 REMAINING FUNDS WOULD BE INSUFFICIENT TO SUPPORT THE
2 CLINICAL TRIAL DELIVERY SITES OR EXPAND THE PROGRAM
3 TO ADDITIONAL DELIVERY SITES. AND THIS EXTENSION
4 AND EXPANDING MODEL IS ACTUALLY WHAT WE DID WITH THE
5 ALPHA CLINICS PROGRAM, WHICH HAS RESULTED IN THEIR
6 ABILITY TO SUPPORT A ROBUST PORTFOLIO AT THIS TIME.

7 SO THIS SLIDE SUMMARIZES ADDITIONAL
8 INSIGHTS FROM THE FIRST ROUND. IN TERMS OF PROGRAM
9 SUSTAINABILITY, AS I JUST NOTED, WE WERE AT RISK OF
10 EXHAUSTING THE BUDGET IN ONE CYCLE WHICH WOULD
11 FOREGO THE ABILITY TO RENEW OR EXPAND THE PROGRAM.

12 IN ADDITION, WE WANTED TO FOCUS ON
13 GEOGRAPHIC DIVERSITY. WE HAVE -- WE'VE LOOKED AT A
14 SERIES OF ELIGIBILITY REQUIREMENTS THAT WE BELIEVE
15 CAN SERVE TO ENHANCE THE GEOGRAPHIC DIVERSITY AND
16 EXPAND CLINICAL TRIAL REFERRAL IN A POOL IN
17 UNDERSERVED REGIONS. AND THIS IS, AGAIN, IMPORTANT
18 IN TERMS OF BOTH PROPOSITION 14 AND THE STRATEGIC
19 ALLOCATION FRAMEWORK.

20 IN ADDITION, WE ARE RECOMMENDING FOCUSING
21 THE REVISED PROGRAM ON PROPOSITION 14'S OBJECTIVES
22 OF CLINICAL TRIALS DELIVERY. AND, AGAIN, THIS
23 REQUIREMENT IS REFLECTED IN THE REVISED PROGRAM
24 OBJECTIVE WHICH I'LL COVER MOMENTARILY.

25 HOWEVER, THE FIRST ROUND DID UNDERSCORE

BETH C. DRAIN, CA CSR NO. 7152

1 THE VALUE OF FUNDING SUPPORT ACTIVITIES ALONGSIDE
2 THE DELIVERY OF CLINICAL TRIALS. SO IN ADDITION TO
3 OUR REVISED CONCEPT PLAN, WE'D ALSO LIKE TO SUGGEST
4 HOW THE AAWG RESOURCES MAY BE DEPLOYED TO DEVELOP A
5 STRONGER, MORE SUSTAINABLE, AND MORE IMPACTFUL
6 APPROACH TO OUR OVERALL GOAL OF THE STRATEGIC
7 ALLOCATION FRAMEWORK IN AIM 5.

8 SO I'LL TRY TO SUMMARIZE THIS APPROACH
9 HERE. WE ARE RECOMMENDING A TWO-PHASED APPROACH
10 WHERE THE COMMUNITY CARE CENTERS OF EXCELLENCE ARE
11 DEFINED BY THEIR CAPACITY TO DELIVER CLINICAL TRIALS
12 AND THESE CENTERS BE FUNDED EXCLUSIVELY FROM THE 78
13 MILLION PROPOSITION 14 EARMARK FOR THIS PROGRAM.

14 AS A REMINDER, PROPOSITION 14 ALSO
15 ALLOCATES 93 MILLION FOR PATIENT ACCESS ALLOCATIONS
16 RECOMMENDED BY THIS WORKING GROUP. SO IN TERMS OF
17 ORDER OF OPERATION, WE'RE RECOMMENDING APPROVAL OF
18 THIS CONCEPT PLAN SO WE CAN RELEASE A COMMUNITY CARE
19 CENTERS RFA THIS YEAR. AND UNDER THE RFA, THE FIVE
20 PRIOR SUPPORT AND DELIVERY SITE APPLICATIONS WOULD
21 BE ELIGIBLE TO SUBMIT, AND THEY WOULD ALSO HAVE THE
22 BENEFIT OF FEEDBACK THEY RECEIVED FROM THE GRANTS
23 WORKING GROUP AND BROADER AWARENESS OF CIRM'S
24 STRATEGIC ALLOCATION FRAMEWORK GOALS.

25 A MORE DETAILED TIMELINE FOR THIS RFA WILL

BETH C. DRAIN, CA CSR NO. 7152

1 BE SHOWN MOMENTARILY.

2 WITH REGARD TO SUPPORT ACTIVITIES, WE WILL
3 ENGAGE YOU ALL OVER THE COURSE OF 2025 TO CONSIDER
4 PATIENT SUPPORT ACTIVITIES DRAWING ON THE AAWG
5 SUPPORT BUDGET.

6 SO THIS CONCLUDES THE BACKGROUND SECTION.
7 I'D NOW LIKE TO TURN TO THE PHASE 1 CONCEPT PLAN
8 AGAIN WHICH HAS BEEN INCLUDED IN THE MEETING
9 MATERIALS, AND THERE'S A MORE -- A LONGER
10 DESCRIPTION OF IT IN THE DOCUMENT ASSOCIATED WITH
11 THIS ITEM.

12 SO IN TERMS OF PROGRAM OBJECTIVE, THE AIM
13 IS TO EXPAND GEOGRAPHICALLY DIVERSE CENTERS OF
14 EXCELLENCE ACROSS CALIFORNIA TO ENHANCE ACCESS TO
15 REGENERATIVE MEDICINE TREATMENTS PRIMARILY BY
16 EXPANDING THE REACH AND DELIVERY OF CLINICAL TRIALS
17 AND APPROVED THERAPIES, BUT CONSISTENT WITH THE
18 ORIGINAL RFA AND CIRM INFRASTRUCTURE PROGRAM ALSO
19 INCLUDING PROVISIONS FOR DEVELOPING A SKILLED
20 WORKFORCE TO SUPPORT THE DELIVERY OF REGENERATIVE
21 MEDICINE TREATMENTS AND ENSURE BROAD ACCESSIBILITY
22 PARTICULARLY IN UNDERSERVED COMMUNITIES.

23 THE STRUCTURE, AGAIN, REMAINS FAIRLY
24 SIMILAR. IT WOULD BE A FIVE-YEAR AWARD. APPLICANTS
25 WOULD BE -- IT WOULD BE OPEN TO NON-PROFIT OR

BETH C. DRAIN, CA CSR NO. 7152

1 FOR-PROFIT RESEARCH INSTITUTIONS IN GOOD STANDING.
2 THEY MUST HAVE A COMMITMENT TO CELL AND GENE THERAPY
3 TREATMENTS FROM ANY SOURCE. SO ALLOWING ANY
4 TREATMENT IN CIRM'S PORTFOLIO TO BE SUPPORTED OR
5 DELIVERED AT THE SITE. THE ORGANIZATION MAY NOT
6 HAVE AN ALPHA CLINICS AWARD ALREADY. THIS IS THE
7 INFRA4 AWARD PROGRAM. AND, AGAIN, AS WE HAVE WITH
8 THE ALPHA CLINICS AND PREVIOUS RFA, THE CENTER MAY
9 ONLY PROVIDE FDA AUTHORIZED CELL AND GENE THERAPY
10 TREATMENTS.

11 THE CORE REQUIREMENT IN TERMS OF THE TEAM
12 IS A PROGRAM DIRECTOR AT 30 PERCENT TIME. THE
13 MAXIMUM AWARD AMOUNT WOULD BE -- IS PROPOSED AT 9
14 MILLION WITH AN OVERALL PROGRAM BUDGET OF 36
15 MILLION, WHICH WOULD BE ABLE TO SUPPORT UP TO FOUR
16 SITES.

17 DR. CANET-AVILES: ACTUALLY THE NUMBER IS
18 39 MILLION.

19 DR. LOMAX: 39?

20 DR. CANET-AVILES: YEAH.

21 DR. LOMAX: OKAY. SO 39 MILLION.

22 DR. LEVINE: GEOFF, IF MULTIPLE BIDDERS OR
23 SUBMITTERS CAME IN UNDER 9 MILLION, WOULD WE SUPPORT
24 MORE THAN FOUR SITES?

25 DR. LOMAX: AS LONG AS THE BUDGET COULD

BETH C. DRAIN, CA CSR NO. 7152

1 SUPPORT THE APPLICATION POOL, YES. WE ALWAYS TRY TO
2 HEDGE ON IF EVERYTHING WAS APPLIED TO THE MAX, WHAT
3 WOULD WE BE ABLE TO SUPPORT? THAT'S WHAT THAT
4 STATEMENT REFLECTS.

5 DR. LEVINE: THANK YOU.

6 DR. LOMAX: AND THERE'S A LITTLE BIT OF
7 REDUNDANCY HERE. THE ELIGIBILITY REQUIREMENTS,
8 AGAIN, CALIFORNIA ORGANIZATION MUST NOT BE FUNDED
9 UNDER THE ALPHA CLINICS PROGRAM. AND THE EXPECTED
10 OUTCOMES, AGAIN, THIS IS WHERE THE REVISED RFA IS A
11 LITTLE BIT DIFFERENT THAN THE ORIGINAL ROUND, THEY
12 MUST HAVE A DEMONSTRATED ABILITY TO PERFORM HUMAN
13 CLINICAL TRIALS AND DEVELOP THE CAPACITY OVER THE
14 AWARD PERIOD TO DEVELOP REGENERATIVE MEDICINE
15 CLINICAL TRIALS AND THE CAPACITY TO PROVIDE APPROVED
16 PRODUCTS.

17 IN ADDITION, THIS IS CONSISTENT WITH,
18 AGAIN, THE PRIOR ROUND. THEY MUST PROPOSE AT LEAST
19 ONE PARTNERSHIP WITH A COMMUNITY-BASED ORGANIZATION
20 TO SUPPORT CLINICAL RESEARCH, CAREER DEVELOPMENT, OR
21 BROADER COMMUNITY ENGAGEMENT.

22 FAIRLY STANDARD, MUST BE READY TO INITIATE
23 WORK ON THE FUNDED PROJECT WITHIN 120 DAYS OF THE
24 AWARD PERIOD. AND, AGAIN, REITERATING THE PERCENT
25 EFFORT OF THE PROGRAM DIRECTOR AT 30 PERCENT.

BETH C. DRAIN, CA CSR NO. 7152

1 SO IN TERMS OF THE DELIVERY SITES, AGAIN,
2 THIS IS THE TIMELINE. WE ARE CURRENTLY MEETING IN
3 MARCH. THE AIM IS TO HAVE AN RFA POSTED IN EARLY
4 SPRING. APPLICATIONS, THE RFA WOULD ALLOW THE
5 APPLICANTS TO BEGIN TO DEVELOP AND PUT TOGETHER
6 THEIR APPLICATION WITH THE APPLICATION PERIOD
7 OPENING IN EARLY JUNE, A DUE DATE IN JULY WITH THE
8 GRANTS WORKING GROUP REVIEW IN SEPTEMBER, AND
9 FACILITIES WORKING GROUP FOLLOWS THE GRANTS WORKING
10 GROUP IF THERE ARE APPLICATIONS THAT REQUIRE
11 FACILITIES WORKING GROUP EVALUATION. GOING TO THE
12 APPLICATION REVIEW SUBCOMMITTEE IN OCTOBER AND
13 HAVING THE AWARDS THAT ARE RECOMMENDED FOR FUNDING
14 CONTRACTED AT THE END OF -- THE LAST QUARTER OF THIS
15 YEAR AND LAUNCHING IN EARLY NEXT YEAR, 2026.

16 SIMULTANEOUSLY, WE PROPOSE TO ENGAGE THE
17 ACCESSIBILITY AND AFFORDABILITY WORKING GROUP TO
18 CONSIDER ADDITIONAL FUNDING OPPORTUNITIES FOR
19 SUPPORT-ONLY ACTIVITIES DRAWING ON, AGAIN, THE
20 SEPARATE BUDGET ALLOCATED FOR THAT PURPOSE.

21 SO AT THIS TIME THE REQUEST FOR THE MOTION
22 IS WE REQUEST A MOTION THAT THE ACCESS AND
23 AFFORDABILITY WORKING GROUP WOULD RECOMMEND APPROVAL
24 OF THE REVISED CONCEPT PLAN FOR THE COMMUNITY CARE
25 CENTERS OF EXCELLENCE PROGRAM AND THAT TO BE

BETH C. DRAIN, CA CSR NO. 7152

1 FORWARDED TO THE FULL BOARD, THE ICOC.

2 CHAIRMAN IMBASCIANI: MADAM CHAIR, THIS IS
3 VITO. I'D LIKE TO MOVE THAT WE ACCEPT THE APPROVAL
4 OF THE REVISED CCE CONCEPT PLAN.

5 CHAIRPERSON BONNEVILLE: THANK YOU. IS
6 THERE A SECOND?

7 DR. QADAN: I SECOND THAT.

8 CHAIRPERSON BONNEVILLE: GREAT. THANK YOU
9 SO MUCH. IT WAS VITO AND AMMAR. APPRECIATE THAT.

10 I WANT CLARIFICATION, HOWEVER. IS THE
11 BUDGET 36 MILLION OR 39? MY UNDERSTANDING IS IT'S
12 36. BUT IF IT 39, WE CAN AMEND IT.

13 DR. CANET-AVILES: YOU ARE CORRECT, MARIA.
14 YOU ARE CORRECT BECAUSE FOUR APPLICATIONS AT 9
15 MILLION MAKES IT 36.

16 CHAIRPERSON BONNEVILLE: OKAY. THANK YOU.
17 ARE THERE QUESTIONS FROM MEMBERS OF THE COMMITTEE OR
18 THE WORKING GROUP?

19 DR. GOLDSTEIN: I HAVE A QUESTION.

20 CHAIRPERSON BONNEVILLE: SCOTT.

21 MR. TOCHER: I'M SORRY, DR. GOLDSTEIN.
22 YOU HAVE A CONFLICT WITH ONE OF THE APPLICATIONS
23 THAT'S PENDING UNDER THIS ITEM. AND SO, THEREFORE,
24 MEMBERS WITH SUCH CONFLICTS ARE UNABLE TO
25 PARTICIPATE IN THE DISCUSSION OF THIS ITEM.

BETH C. DRAIN, CA CSR NO. 7152

1 DR. GOLDSTEIN: OKAY. THANK YOU.

2 MR. TOCHER: THANK YOU.

3 CHAIRPERSON BONNEVILLE: SCOTT, ARE THERE
4 ANY MEMBERS OF THE PUBLIC THAT HAVE COMMENTS?

5 MR. TOCHER: THERE ARE NONE HERE, BUT
6 THERE'S ONE ON THE PHONE, THE 312 NUMBER. I'LL WAIT
7 A MOMENT FOR CLAUDETTE TO BRING --

8 DR. JACOBS: CAN YOU HEAR ME?

9 MS. MANDAC: YES. LET ME START A TIMER.
10 YOU HAVE THREE MINUTES FOR COMMENT. WE WILL MUTE
11 YOU AS SOON AS THE THREE MINUTES ARE OVER.

12 DR. JACOBS: OKAY. GOOD AFTERNOON,
13 EVERYONE. MY NAME IS DR. ELIZABETH JACOBS, AND I'M
14 CHAIR AND PROFESSOR OF MEDICINE AT UCR SCHOOL OF
15 MEDICINE. I'M THE PI ON THE ONE VERY HIGHLY RATED
16 GRANT THAT WAS AN INFRASTRUCTURE GRANT.

17 WE RECEIVED 14 OF 15 VOTES FOR FUNDING.
18 AND I AND WE AND OUR COMMUNITY MEMBERS WHO ARE VERY
19 EXCITED ABOUT THIS AND COMMUNITIES WITHIN THE INLAND
20 EMPIRE WERE VERY DISMAYED TO HEAR THAT OUR
21 APPLICATION, THOUGH RESPONSIVE AND HIGHLY REVIEWED,
22 WOULD NOT BE CONSIDERED FOR FUNDING.

23 IT'S VERY CONFUSING TO ME, PARTICULARLY
24 AFTER THIS PRESENTATION, BECAUSE OUR APPLICATION IS
25 7 MILLION DOLLARS OVER FIVE YEARS. SO IT WOULDN'T

BETH C. DRAIN, CA CSR NO. 7152

1 LEAVE \$17.8 MILLION LEFT AS PORTRAYED IN THIS
2 PRESENTATION. SO I FIND THAT VERY CONFUSING.

3 THE OTHER THING THAT'S VERY DISMAYING IS I
4 DO BELIEVE THAT THE WAY THIS HAS BEEN PRESENTED AS
5 MEETING PROPOSITION 14 IS MISLEADING. THE REASON
6 WHY I SAY THAT IS MY ENTIRE CAREER HAS BEEN
7 DEDICATED TO ADVANCING HEALTH EQUITY. AND WHAT
8 HAPPENS IS WHEN YOU FUND CENTERS THAT CAN PROVIDE
9 THESE CLINICAL TRIALS, FIRST OF ALL, THERE REALLY
10 AREN'T CENTERS IN THE INLAND EMPIRE, WHICH IS A
11 HEALTH PROFESSIONAL SHORTAGE AREA WITH HIGH HEALTH
12 DISPARITIES, TO PROVIDE THESE SERVICES.

13 HOWEVER, WE HAVE PARTNERSHIPS WITH AN
14 ALPHA CENTER AS WELL AS CITY OF HOPE WHERE WE CAN
15 ACTUALLY HELP DELIVER THESE CLINICAL TRIALS EVEN
16 THOUGH WE CAN'T INITIALLY DO THEM BECAUSE OF WHO WE
17 ARE, AND OUR COMMUNITY MEMBERS ARE HIGHLY MOTIVATED
18 TO HELP MAKE THAT HAPPEN.

19 AND SO I DON'T THINK THAT THIS CONCEPT
20 PLAN IS ACTUALLY GOING TO MEET THE GOALS OF
21 PROPOSITION 14. AND IT'S EXTREMELY DISAPPOINTING
22 BECAUSE WHEN I SPOKE TO GIL SAMBRANO, HE LET ME KNOW
23 THAT IT WASN'T AT ALL CLEAR WHEN WE WERE GOING TO BE
24 ABLE TO APPLY AGAIN. AND NOW TO SEE THAT IT'S A
25 YEAR LATER, IT'S JUST GOING TO PERPETUATE

BETH C. DRAIN, CA CSR NO. 7152

1 DISPARITIES OF ACCESS TO REGENERATIVE MEDICINE AND
2 CLINICAL TRIALS IN OUR COMMUNITY WITH THIS CURRENT
3 PLAN ANOTHER YEAR AND A HALF OR TWO YEARS.

4 WHEREAS, IF WE WERE FUNDED NOW, WE COULD
5 START RIGHT AWAY BY DISSEMINATING WHAT'S ALREADY OUT
6 THERE AS CLINICAL TRIALS IN PARTNERSHIP WITH
7 OUR -- WITH OUR COMMUNITY MEMBERS. SO IT'S REALLY
8 DISMAYING TO BE ABLE TO APPLY, BE RESPONSIVE, TOLD
9 WE'RE GOING TO GET FUNDING, AND THEN ALL OF A SUDDEN
10 HAVE THE FUNDING PULLED. AND IT APPEARS FROM THIS
11 PRESENTATION IT WOULDN'T IMPACT WHAT WAS BEING
12 SHARED HERE TODAY.

13 CHAIRPERSON BONNEVILLE: THANK YOU.
14 GEOFF, DID YOU WANT TO RESPOND TO THAT?

15 DR. LOMAX: IN TERMS OF THE BUDGET, JUST
16 TO CLARIFY ON THE BUDGET POINT, SO IF YOU TAKE THE
17 CUMULATIVE APPLICATIONS THAT WERE RECEIVED, THE NINE
18 APPLICATIONS, WE COULDN'T HAVE FUNDED NINE BASED ON
19 THE PROPOSED BUDGET. BUT BASED ON EVEN THE ONES
20 THAT COULD RESUBMIT, WE WOULD STILL END UP, IF WE
21 JUST ALLOWED EVERYONE TO COME BACK IN AND RESUBMIT
22 AND FUNDED ONCE THEY WERE APPROVED, WE WOULD RUN
23 IN -- THE OVERALL BUDGET WOULD HAVE BEEN ON THE
24 ORDER OF 60 MILLION. SO FOR THAT PARTICULAR POINT,
25 WE WERE CONSTRAINED IN TERMS OF THE BUDGET

BETH C. DRAIN, CA CSR NO. 7152

1 ALLOCATION.

2 AND AS I EXPLAINED, THAT WAS THE RATIONALE
3 FOR DRAWING ON SEPARATE BUDGETS IN ORDER TO FUND
4 BOTH THE DELIVERY SITES AND SUPPORT AND DELIVERY
5 SITES. IT'S SUPPORT SITES AND SUPPORT AND DELIVERY
6 SITES.

7 SO I JUST WANT TO POINT OUT THAT THOSE
8 NUMBERS REFLECTED THE ACTUALS IN THE FIRST ROUND.

9 DR. JACOBS: BUT YOU WOULDN'T FUND ALL OF
10 THEM BECAUSE YOU'D FUND THE ONES THAT WERE FUNDABLE.

11 CHAIRPERSON BONNEVILLE: SO, HARLAN, I
12 WANT TO GET BACK TO YOUR POINT ABOUT THERE WILL BE
13 AN OPPORTUNITY TO APPLY FOR THE ACTIVITIES THAT YOU
14 HAVE PROPOSED. WE'RE NOT SUGGESTING THAT THAT WILL
15 NOT COME BACK IN A DIFFERENT FORMAT LATER THIS YEAR.
16 SO IN ORDER TO BE ABLE TO SUSTAIN AND MAKE THESE
17 COMMUNITY CARE CENTERS AS WELL AS THE SUPPORT SITES
18 AS ROBUST AND BE ABLE TO LAST AS LONG AS THEY CAN,
19 WE FELT THAT TWO ROUNDS OF FUNDING FOR EACH OF THE
20 DIFFERENT ACTIVITIES WAS REALLY IMPORTANT. AND IN
21 ORDER TO DO THAT, WHAT WE HAVE LAID OUT IS FUNDING
22 FROM DIFFERENT PARTS OF OUR RESEARCH FUNDS.

23 SO FOR THIS ROUND, WE'RE FOCUSING ON
24 CENTERS THAT CAN DELIVER THERAPIES, THE COMMUNITY
25 CARE CENTERS THAT CAN DELIVER THERAPIES. THE SECOND

BETH C. DRAIN, CA CSR NO. 7152

1 ROUND OF FUNDING WILL COME LATER THIS YEAR, AND THAT
2 WILL BE FOR SUPPORT SERVICES SPECIFICALLY. AND THAT
3 IS WHERE THE -- THAT'S WHERE THE APPLICATIONS THAT
4 CAME IN FOR SUPPORT WOULD THEN BE REDIRECTED FROM A
5 DIFFERENT SET OF MONEY THAT COULD ALSO SUPPORT MORE
6 THAN ONE ROUND OF FUNDING FOR THESE CENTERS AND
7 ACTIVITIES.

8 SO I WANTED TO MAKE THAT DISTINCTION, THAT
9 THIS IS NOT CLOSING OFF ANY MONEY THAT POTENTIALLY
10 OTHER APPLICANTS WOULD HAVE ACCESS TO THAT WERE
11 SUPPORT ONLY.

12 ARE THERE ANY OTHER PUBLIC COMMENTS,
13 SCOTT?

14 MR. TOCHER: I DON'T SEE ANY OTHER HANDS
15 RAISED. OH, WAIT. I'M SORRY. WHICH ONE? OH,
16 OKAY. SORRY. I THOUGHT THAT WAS THE SAME ONE. GO
17 AHEAD.

18 MS. MANDAC: ALL RIGHT. 312 NUMBER, YOUR
19 TIME CAN START NOW. THE 31 --

20 MR. TOCHER: STAND BY, MARIA.

21 CHAIRPERSON BONNEVILLE: SURE.

22 DR. JACOBS: OKAY. I THINK I UNMUTED
23 MYSELF. THANK YOU.

24 SO I JUST -- IT DOESN'T MAKE ANY SENSE
25 THAT YOU WOULD DELAY FUNDING OF A VERY SUCCESSFUL

BETH C. DRAIN, CA CSR NO. 7152

1 AND HIGHLY REVIEWED APPLICATION BECAUSE WHAT WE WERE
2 DOING WAS INCREASING GEOGRAPHIC ACCESS TO CLINICAL
3 TRIALS AS WELL AS REGENERATIVE MEDICINE THERAPY.
4 AND YOU DON'T HAVE TO FUND EVERYONE. I MEAN I
5 WOULDN'T FUND A GRANT, NOR WOULD I RECOMMEND FOR
6 FUNDING A GRANT THAT DIDN'T GET WELL REVIEWED.

7 SO IT DOESN'T MAKE ANY SENSE THAT YOU
8 WOULD DELAY THE DELIVERY OF EFFLUENT INFRASTRUCTURE
9 WHICH WE'VE DEVELOPED TO A VERY, VERY HIGH NEED
10 COMMUNITY IN A PHASE 1 AND A PHASE 2 BECAUSE JUST
11 DELAYING OUR ABILITY TO WHAT PROPOSITION 14 ASKS YOU
12 TO DO.

13 CHAIRPERSON BONNEVILLE: THANK YOU FOR
14 YOUR COMMENTS. SCOTT, ARE THERE OTHER PUBLIC
15 COMMENTS?

16 MR. TOCHER: SORRY. THERE IS NONE.

17 CHAIRPERSON BONNEVILLE: THANK YOU. WE
18 CAN PROCEED TO A ROLL CALL VOTE.

19 MR. TOCHER: MARIA BONNEVILLE.

20 CHAIRPERSON BONNEVILLE: YES.

21 MR. TOCHER: JAMES DEBENEDETTI.

22 MR. DEBENEDETTI: YES.

23 MR. TOCHER: DAVID HIGGINS. DAVID?

24 DAVID, I'LL COME BACK TO YOU. VITO IMBASCIANI.

25 CHAIRMAN IMBASCIANI: YEAH. I'M YES.

BETH C. DRAIN, CA CSR NO. 7152

1 MR. TOCHER: DARIUS LAKDAWALLA.

2 DR. LAKDAWALLA: YES.

3 MR. TOCHER: HARLAN LEVINE.

4 DR. LEVINE: YES FOR THE CURRENT PLANS.

5 AND WE SHOULD HAVE A DISCUSSION ABOUT THE COMMENTS
6 THAT WERE MADE, BUT IT DOESN'T CHANGE MY VOTE NOW TO
7 VOTE YES.

8 MR. TOCHER: AMMAR QADAN.

9 DR. QADAN: YES.

10 MR. TOCHER: COME BACK TO DAVID HIGGINS.

11 DAVID, WE'RE HAVING TROUBLE HEARING YOU.

12 AS IT STANDS, THE VOTE IS SIX TO ZERO,
13 WHICH IS SUFFICIENT FOR QUORUM. AND IN THAT EVENT,
14 THE MOTION CARRIES. MARIA.

15 CHAIRPERSON BONNEVILLE: THANK YOU SO
16 MUCH. DO MEMBERS OF THE COMMITTEE HAVE ANY OTHER
17 QUESTIONS THAT THEY'D LIKE TO ASK OR THINGS THEY
18 WOULD LIKE ADDRESSED? HARLAN.

19 DR. LEVINE: WELL, I DON'T HAVE ENOUGH
20 INFORMATION, I THINK, TO HAVE A FULL DISCUSSION.
21 BUT I DO THINK THAT THERE SHOULD BE CLARIFICATION OF
22 JUST UNDERSTANDING WHY THE THINGS WEREN'T FUNDED
23 BEFORE. I THINK THERE'S A MISCOMMUNICATION.

24 CHAIRPERSON BONNEVILLE: I AGREE. MY
25 UNDERSTANDING WAS THAT OUR INTERNAL TEAM HAD REACHED

BETH C. DRAIN, CA CSR NO. 7152

1 OUT TO UC RIVERSIDE TO EXPLAIN THE SITUATION AND
2 THAT THIS HAD BEEN CLARIFIED. SO I APOLOGIZE IF
3 THAT'S NOT WHAT OCCURRED.

4 GEOFF, DO YOU WANT TO WALK THROUGH THE
5 DIFFERENCE OR THE -- THERE IS A MISCOMMUNICATION, I
6 THINK, IN UNDERSTANDING WHERE WE ARE AND HOW THIS IS
7 GOING TO MOVE FORWARD. SO DO YOU WANT TO JUST
8 ADDRESS SOME OF THE COMMENTS THAT WERE MADE BY UC
9 RIVERSIDE?

10 DR. LOMAX: WELL, AGAIN, WE'VE -- SO WE
11 HAVE COMMUNICATED WITH MOST OF THE APPLICANTS. I'D
12 HAVE TO JUST GO BACK AND CHECK IN TERMS OF THE --
13 BUT I BELIEVE THERE HAVE BEEN BOTH WRITTEN AND WE'VE
14 INVITED COMMUNICATIONS OVER THE PHONE WITH DIFFERENT
15 APPLICANTS.

16 DR. SAMBRANO: WE SPOKE WITH UC RIVERSIDE.
17 THEY WERE THE FIRST TEAM THAT WE SPOKE WITH.

18 DR. LOMAX: THANK YOU, GIL.

19 AND AIM WAS IN THOSE COMMUNICATIONS
20 BECAUSE WE DO ABSOLUTELY APPRECIATE THE WORK, THE
21 EFFORT, EVERYTHING THAT GOES IN TO DEVELOPING A CIRM
22 APPLICATION. AND THE SPIRIT OF THOSE DISCUSSIONS
23 WERE ALONG THE LINE OF THE PRESENTATION TODAY WHERE
24 WE WERE OUTLINING OUR AIM AND EFFORT TO DEVELOP A
25 SET OF PROGRAMS THAT WOULD ALLOW THOSE ACTIVITIES TO

BETH C. DRAIN, CA CSR NO. 7152

1 PROCEED. NOW, ADMITTEDLY AND UNDERSTANDABLY, THE
2 DELAY IS A CONCERN. I THINK MORE THAN ONE SITE
3 EXPRESSED THAT THE DELAY IN FUNDING IS ALWAYS A
4 CONSIDERATION. AND WE, AGAIN, OFFERED TO EXPLAIN
5 BOTH OUR SENSE OF HOW THE PROCESS WOULD MOVE FORWARD
6 AND THE TIMING AND THE FACT THAT, WE THINK, AS YOU
7 HAD INDICATED PREVIOUSLY, THAT IN THE LONGER RUN
8 FROM A STANDPOINT OF SUSTAINABILITY, BEING ABLE TO
9 SERVE PATIENTS AND REALLY SUPPORT THE CLINICAL
10 INFRASTRUCTURE BROADLY, THAT HAVING A MORE DURABLE
11 AND SUSTAINABLE FUNDING PLATFORM WAS IN THE LONGER
12 TERM INTERESTS OF WHAT WE'RE TRYING TO ACCOMPLISH
13 BOTH WITHIN PROPOSITION 14 AND THE STRATEGIC
14 ALLOCATION FRAMEWORK.

15 CHAIRPERSON BONNEVILLE: SO I JUST WANT TO
16 FOLLOW UP. THIS MEETS OUR STRATEGIC GOALS AND
17 ALLOWS FOR EVERYTHING THAT GEOFF DESCRIBED. I THINK
18 THE DISAGREEMENT IS IN THE TIMING, AND WE
19 ACKNOWLEDGE THE TIME HAS SHIFTED. THE
20 APPLICATION -- THE RFA WILL COME LATER THIS YEAR.
21 WE'RE NOT GETTING RID OF THIS PROGRAM. IT WILL
22 CONTINUE TO SERVE THE LARGER GOALS OF THE ALPHA
23 CLINICS AND OTHER COMMUNITY CARE CENTERS. SO I JUST
24 WANT TO REASSURE EVERYONE THAT. IT'S JUST RIGHT NOW
25 WE ARE FOCUSED ON MOVING FORWARD WITH THE DELIVERY

BETH C. DRAIN, CA CSR NO. 7152

1 RFA AND THEN LATER HAVING THE SUPPORT PORTION OF
2 THIS PROGRAM COME TO THE BOARD.

3 DR. LEVINE: THANK YOU, CHAIR BONNEVILLE.
4 THAT SATISFIES MY REQUEST. I THINK ANY FURTHER
5 DETAILS SHOULD JUST BE DONE ONE ON ONE WITH THE
6 APPLICANTS, BUT I JUST FELT LIKE THE BROADER GROUP
7 NEEDED TO HEAR THAT -- IT FELT LIKE WE WERE MAYBE
8 TALKING PAST EACH OTHER AND NOT THE SAME TIMELINE.
9 AND I THINK IT WAS IMPORTANT TO CLARIFY THAT. AND
10 THERE WAS A SHIFT. I UNDERSTAND WHY THERE IS AN
11 OPENING FOR MISUNDERSTANDING, BUT I THINK WE JUST
12 SHIFTED STRATEGY, AND WE ACCEPT THAT, AND NOW WE'RE
13 GOING TO MOVE FORWARD.

14 CHAIRPERSON BONNEVILLE: THANK YOU. IF
15 THERE ARE NO FURTHER QUESTIONS, I THINK WE CAN
16 ADJOURN THE MEETING. THANK YOU, EVERYONE, FOR YOUR
17 TIME TODAY AND WE REALLY APPRECIATE YOUR FEEDBACK.

18 DR. QADAN: THANK YOU.

19 DR. LEVINE: THANK YOU, MARIA.

20 (THE MEETING WAS THEN CONCLUDED.)
